Judaism Called Gutter Religion

Documents Support Charge Judiasm Is "A Gutter Religion"

Black Muslim leader Louis Farrakhan electrified the nation with his Sunday, June 24th, sermon broadcast over Chicago radio. to the uninitiated at first glance his charges against the so-called religion of Judaism and Zionism may seem extreme. But after you study parts of the Jews' real bible, "The Talmud" you may think Farrakhan was making an understatement.

The following are Farrakhan's statements followed by brief excerpts from the Jewish Talmud. Read both then decide for yourself, whether or not Farrakhan is justified in making these remarks.

Minister Louis Farrakhan has courage to expose The Talmud.

The Louis Farrakhan Statement

June 24th Farrakhan stated:

"Now that nation called Israel never had any peace in 40 years and she will never have any peace because there can be no peace structured on injustice, lying and deceit and using the name of God to shield your gutter religion under his holy and righteous name.

"The creation of Isreal was an outlaw act and the nations that helped to found and now support Isreal are criminals in the sight of almighty God. If you aid and abet someone in a criminal consipiracy, you are a part of that criminal conspiracy. Thus America, England and the other nations which aided Israel are criminals in the sight of almighty God. Isreal was brought into being through bribery, coercion, the power of money, gold and naked scheming, plotting and planning against the lives of the Palestinian people."

Judaism Comes From The Talmud

Many Christians believe the only difference between Christianity and Judaism is that they follow the Old Testament and we believe in both the Old and the New Testament. The truth is that the Jews follow The Talmud — which they say is superior to the Bible. The Talmud preaches and unadulterated hatred for all Gentiles — be they Christians, Molsems, Buddhist, Shintoist, or those with no religious beliefs at all. We are all referred to by the common derogatory term — Goyim — which not only means all non-Jews, but cattle, dogs, animals, etc.

The Babylonian Talmud was begun by Rabbi Aschin in 327 A.D. who labored on it for 40 years with the assistance of other "learned elders." After his death Rabbi Abina completed the Talmud about the year 500. The Talmud makes up 63 books with 524 chapters. There are very few English translations and it is forbidden for Christians (including ministers) to attend Talmud schools to study this shocking work.

Talmud Attacks Christians

Quotes From The Talmud

The Sanhedrin book of The Talmud states: *"Jesus seduced, corrupted and destroyed Israel. As a punishment for his crimes of impiety, he suffered an ignominious death by being hanged on a cross on the eve of the passover."*

Sohar book III, (282), *"Jesus died like a beast and was buried in that heap where the dead bodies of asses and dogs, and where the sons of esau (the Christians) and . . . the unclean like dead dogs are buried."*

Schabbath (ibid. 82a) "Rabbi Akibah says: How do we know that (Christians), like an unclean woman, contaminates those who subscribe to it? Because Isiah says:

Ferraro Scandals Emerging

Judy Rosen, vice-president of "Woman's Labor Zionist Organization" which is openly Marxist, presents Ferraro with her membership certificate in the group.

Ms. Ferraro is 100% Pro-Israel

Jewish Telegraph Agency of July 2 sent out a wire service report of their study of Rep. Geraldine Ferraro and found her to be *"100% in favor of Israel during her six years in Congress. She is among the first TO SIGN ANY BILL supporting Israel."*

Ms. Ferraro has joined the Marxist "Na'amat" (Woman's Labor Zionist Organization) which has 50,000 members. Ferraro is the only known Gentile member! The organization has its headquarters in Israel and works for feminist and lesbian causes in America.

Here is Ferraro's pro-Jew voting record:

1) She sponsored the bill demanding Pres. Reagan move the U.S. Embassy from Tel Aviv to Jerusalem which would alienate the entire Arab world. Only two countries have made such a move, El Salvador and Costa Rica. (Both receive aid from Israel — paid by U. S. taxpayers).

2) She is for the "Free Trade with Israel" bill which would remove all taxes and tariffs from Jew goods brought into America. No other nation in the world enjoys such a privilege.

3) Ferraro is a member of the Committee For Soviet Jews and sponsors a Jewess, Ida Nudel, who is a Zionist activist in Russia.

4) Ferraro opposed the bill allowing prayer in public schools which all Jew groups are against.

5) She supports legalized abortion paid for by the taxpayers. This is exactly opposite what Catholics believe in — she claims to be a Catholic — but backs the Jew approved stand.

6) Ms. Ferraro, called "The screaming dove," voted for

Ms. Ferraro Tied to Mafia

Mondale's Vice-Presidential nominee, Geraldine Ferraro, will guarantee his defeat unless the controlled media is able to stop the truth about her background from becoming known to the voters. Ms. Ferraro is a radical feminist who refused to take the last name of her husband John Zaccaro. BOTH ARE TIED IN WITH THE MAFIA!

Zaccaro and his wife Ferraro are well known millionaire "slum lords" in the Little Italy, Chinatown and the SoHo areas of New York City. Last year alone they were cited for 106 outstanding building code violations in the 20 buildings and 347 apartments they own or manage. John Zaccaro is president of "P. Zaccaro Inc." real estate company. Ms. Ferraro is the secretary and treasurer of the corporation.

While this odd couple holds tenants in squalor they personally have expensive homes in Forest Hills, on Fire Island and in St. Croix in the Virgin Islands.

Ferraro Houses Porno Firm

One of the buildings Ferraro and her husband manage is located at 200-202 Lafayette St. Mrs. Ferraro once held a half-interest in the property with underworld figure (Jew) Manny Lerman. He is now $22,100 in arrears on local taxes on this property. But the important point is that located in this Ferraro "managed" property is Star Distributors. This is a Mafia controlled center for such

thou shalt cast them away like a menstruation cloth."

Perusch (78c), "Goyim (Christians) are idolaters, the worst kind of people, worse than Turks, like dirt, they are unworthy to be called men, they are beasts in human form, worthy of the name of beasts, cows, pigs, asses, dogs, worse than dogs; that they propagate after the manner of beasts, that they have diabolic origin, even the body of a dead Christian is nothing different from that of an animal."

Midrasch Talpioth (fol. 225d) — Christians meant to be slaves to Jews — this book of The Talmud states: "God created them in the form of men for the glory of Isreal. But Akum (Christians) were created for the sole end of ministering unto them (Jews) day and night. Nor can they ever be relieved from this service. It is becoming to the son of a king (a Jew) that animals in their natural form, and animals in the form of human beings should minister unto him."

Eden Haezar (44, 8), "If a Jew enters into marriage with an Akum (Christian), the marriage is null."

Iore Dea (142, 10) — forbids Jews from entering Christian churches — "It is forbidden to stand in the shadow of a house of idolatry, whether from the inside or outside, for a distance of four cubits from the front door."

Chullin (91b) — Christians to be avoided — "He who strikes an Israelite acts as if he slaps the face of God's Divine Majesty. A Jew is always considered good, in spite of certain sins which he may commit, nor can his sins contaminate him. A Jew alone is looked upon as a man; the whole world is his, and all things should serve him especially animals which have the form of men."

Die Polem (p. 20), "The life of a Joium (Christian) and all his physical powers belong to a Jew."

Choschem Hammischpat (266, 1) — a Christians property belongs to the Jew — "A Jew may keep anything he finds which belongs to the Akum (Christian) for it is written: return to thy bretheren what is lost. For he who returns the lost property of a Christian sins against the law by increasing the power of the transgressors of the law."

Babha Kama (113b), "It is permitted to deceive a goy."

Iore Dea (158, 1), "The Akum (Christians) are not to be cured, even for money, unless it might incur their enmity . . . No help is to be given an Akum (Christian) woman in labor on the sabbath, even in a small way . . . The Akum who are not our enemies must not be killed directly, nevertheless they must not be saved from the danger of death. For example, if you see one of them fall into the sea, do not pull him out unless he promises to give you money."

Sanhedrin (59a), "Rabbi Jochanan says: A goy (Christian) who pried into the law (The Talmud) is guilty of death."

Hilkhoth Aakum, (X,2) — Jew converts to be put to death — "These things are intended for idolaters. But Isrealites also, who lapse from their religion and become Epicureans (Christians), they are to be killed, and we must persecute them to the end. For they afflict Israel and turn the people away from God."

Christians Must Study The Talmud

Before Christians listen to the false prophet Rev. Jerry Falwell, they should first study exactly what the Jews teach their own people about Christians and Christianity! Falwell worships the Jews and says "they are closer to God than Christians." this is blasphemy. Judaism is far worse than A GUTTER RELIGION! It is an abomination before all peoples and that is why they keep the teachings of The Talmud secret and fight all attempts to publish Hebrew translations into English. Judaism is not a true "religion" at all and unlike that of any other relgion in the entire world.

They do not believe in heaven or hell or sin for a Jew. They worship naterialism, money and gold. Note the article herein where the rabbis say there is no afterlife. No other religion in the world holds such beliefs. Cheating, stealing and enslaving other people exactly as the Jew sweat shops in this country practice and the poor enslaved Palestinian peoples suffer is permitted by the Jew bible — The Talmud. Spread this news to your friends so that they will understand exactly what the "religion" of Judaism really represents.

Urge them to order a copy of the valuable and rare books on our list on ths subject, "The Talmud Unmasked", $2, and "The Plot Against Christianity," $7, or Dr. E. R. Fields pamphlet, "A Synagogue Is Not A Church - The Differences Between Christianity and Judaism." 8 for $1.

Jews Exploit Bobby Fischer

Bobby Fischer - World Chess Champion - "Judaism Without Merit"

Bobby Fischer has been called the greatest World Chess Champion who ever lived. He beat the Russian chess champions and on tournament tours in the U.S. would play scores of chess experts at tables in a circle as he moved quickly from one table to another making his moves and scored a record of wins at nearly 100%. This of course means that Bobby Fischer is a genius, a man with an extremely high intelligence (I.Q.) and without a doubt one of the world's most brilliant men.

Recently the Jewish Encyclopedia included Bobby Fischer as one of the world's most famous Jews. Mr. Fischer is not a Jew and was naturally outraged. We here reprint his open letter to the Jews refuting their attempt to use his name to help advertise the book and thus boost sales. It is also of interest to note that Bobby Fischer has studied the Jewish Talmud (their real bible) and questions whether or not this so-called religion has any merit at all! He tells the Jews they need to try and "improve the image of your religion - Judiasm" which he feels will be very difficult for the Jews to do.

ENCYCLOPAEDIA JUDAICA JERUSALEM

Gentlemen:

Knowing what I do about Judaism, I was naturally distressed to see that you have erroneously featured me as a Jew in ENCYCLOPAEDIA JUDAICA. Please do not make this mistake again in any future editions of your voluminous, pseudo-authoritative publication. I am not today, nor have I ever been a Jew, and as a matter of fact, I am uncircumcised.

I suggest rather than fraudulently misrepresenting me to be a Jew, and dishonestly abusing my name and reputation as a kind of advertising gimmick to improve the image of your religion (Judaism), you try to promote your religion on its own merits--if indeed it has any!

In closing, I trust that I am not being unrealistically optimistic, in thanking you in advance for your anticipated cooperation in this matter.

Truly yours,

Bobby Fischer

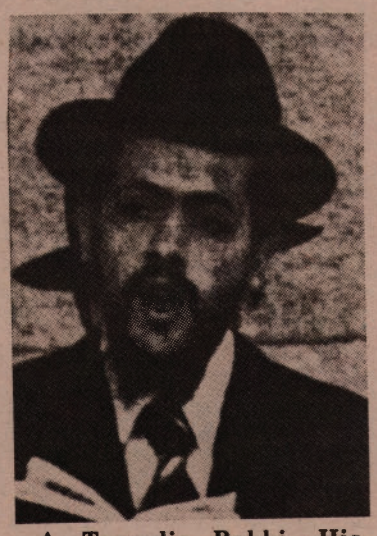
Bobby Fischer,
The World Chess Champion

The Jews have long sought to claim that famous men in history were Jews including Christopher Columbus, D. W. Griffith, Richard Wagner, Abraham Lincoln and many others who in fact were Christians! The time has arrived for Gentiles the world over to begin studying the Jewish Talmud! This eye-opening revelation would quickly resolve the infulence of organized Jewry and the Jew problem itself. We wish to thank Bobby Fischer for making this Open Letter available so that this "name dropping" deception of the Jews can be exposed!



A Tamudic Rabbi. His "wisdom" is preaching hatred of all other races and religions.

the Congressional Black Caucus proposal on April 5 to massively shift domestic spending from defense programs to welfare handouts. She voted to eliminate virtually every new U.S. nuclear weapon including cutting the U.S. army by 20% and aircraft, the MX, the Trident II, the perishing II, cruise missiles and B-1 bomber. She is against military aid to El Salvador and the "Contras" fighting the communists in Nicaragua. BUT ON MILITARY AID TO ISRAEL SHE HAS VOTED FOR EVERY BILL GRANTING DEATH DEALING WEAPONS TO THE JEWS WHICH HAVE ALREADY BEEN USED TO KILL THOUSANDS OF INNOCENT CIVILIANS IN LEBANON!

Supported Mass Murder in Lebanon

Lebanon is half Catholic and half Moslem yet Ms. Ferraro publically supported the Jew invasion of Lebanon and the massive bombing of Beirut. She sent a letter to Reagan demanding that the Jews be allowed to "dismantle the PLO." She urged that military communications between the military forces of Israel and the U.S. be maintained at a time when Jew forces were confronting U.S. Marines and threatening them over certain strategic positions they wanted to take from the Marines.

Ms. Ferraro voted for the largest foreign aid bill in peacetime ever — the grant of $2.5 billion in economic aid to Israel for 1985. (Still she wants to drastically cut the U.S. military budget!) Ferraro co-sponsored bills to ban the sale of AWACS planes to Saudi Arabia and against the sale of Stinger missles to Jordan and Saudi Arabia.

To end this report it is of interest to note that Ms. Ferraro's office issued a statement that she "*makes it a practice to attend services in a different synagogue in her district every Friday night.*"

Ms. Ferraro is more Jewish than Italian and Catholic. Once they discover her real record they will not vote to make Ferraro "one heart-beat away from the presidency."

Jews Forced Mondale To Dump Bert Lance

Mondale wearing Jew skull cap praying at Wiesenthal Holocaust tourist site in Los Angeles.

A dejected Bert Lance after being forced out of Mondale's campaign. He served as campaign manager for only three weeks.

Mondale Welched On Promise

Lance Son Got Promise From Mondale

The New York Times of Aug. 3 reported that: "The Georgian's 22 year old son, Beverly, told Mr. Mondale at one point that he did not want to see his father hurt again; bluntly he told the Democratic candidate that he hoped he would have 'the backbone' to stand by Mr. Lance through any controversy the appointment might stir up.

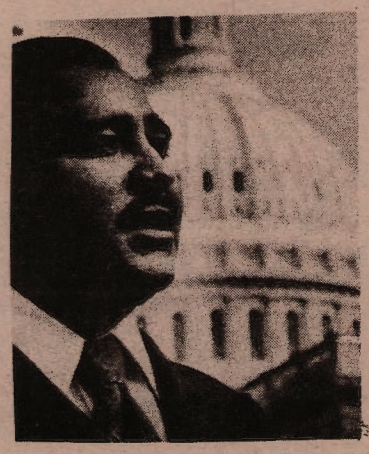
"Mr. Mondale, according to two people who were in the room, replied that if he failed to stand behind Mr. Lance or treated him unfairly, then I don't deserve to be President because I will have lost my self-respect!"

Well, Walter Mondale has certainly lost his self-respect and does not deserve to be elected president. He is the most total tool of minority interests to ever run for President. Mondale has no backbone at all and if elected President would present America with a total disaster. His Marxist-pro-Jew program for America's ruin is detailed in this issue by Mrs. Geraldine Ferraro. They are totally out of line with the views of the vast majority of the American people.

Rangel A Communist

Negro Rep. Rangel Takes Lance's Place

The very day after Walter Mondale dumped Bert Lance as campaign chairman he announced that radical Marxist Rep. Charles Rangel (negro) of Harlem would be co-chairman of his campaign replacing Burt Lance. Rangel has a 100% left-wing voting record according to the Americans For Democratic Action group. There is no one with even a slight "conservative" voting record in the Mondale campaign. Every minority group is represented except that of right leaning White Christian Americans!



Rep. Charles Rangel, new Mondale Campaign Co-Chairman, joined "World Peace Council" in 1978 which is an official Communist Front!

The Thunderbolt is a non-profit corporation. Publisher and managing editor, Robert A. Bowling; contributing editor, Dr. E. R. Fields.

(Below from "Atlanta Journal & Constitution" of August 5 reveals why Lance had to go!)

The Mondale staff, too, was concerned about the news media focus on Lance's past, as well as by continued complaints from key Democratic groups such as labor and the Jewish community. AFL-CIO officials complained that Lance had opposed labor's goals during the Carter administration, while Jewish leaders cited Lance's business dealings with some Arab interests.

Jew Writes Mondale's Speeches

Martin Kaplan wrote Walter Mondale's acceptance speech in San Francisco. He has been on Mondale's staff since he was Vice President.

In choosing Kaplan Mr. Mondale said: "I was looking for an intellectual, a thinker." What he really meant to say was that he was looking for a Jew! Interesting enough is the suppressed news that Kaplan produced an Off Broadway play after the 1980 elections called, "Knights Errant."

It was about the Alger Hiss case and presented him as an innocent man persecuted by the right wing. Of course all the evidence proves conclusively that Hiss was a Soviet spy. Kaplan will be writing Mondale's speeches over the next four years if he is elected! They will all be in favor of aiding communism, promoting and stopping all aid to anti-Red fighters in Central America.

Suppressed News From The Democratic Convention

The National States Rights Party supported Texas Gov. John Connally for President in 1980 because of his stand for Palestinian rights to a West Bank nation and his concern over Jew domination of the news media. Radical Jews even threatened to assassinate Gov. Connally. When he appeared in the CNN-TV booth during the Democratic convention he was loudly booed by the delegates who screamed, "Kick John Out," "He Is A Traitor" shouted Texas Delegate Elizabeth Lara.

Jews Demanded Mondale Dump Bert Lance

Georgia Democratic Party Chairman Bert Lance didn't have to go to San Francisco but Walter Mondale begged him to help in his campaign. Without carrying at least part of the South, Mondale has no chance of being elected President. Bert Lance is popular in the South and is a country-boy who made it big as head of a small town bank in Calhoun, Ga. Mondale first offered Lance the post of National Chairman of the Democratic Party. Liberals and Jews screamed loudly against Lance appointment so two days later Mondale switched and named Bert Lance his Campaign Chairman.

For three weeks the Jews and liberals screamed. The chief Jewish "insider" correspondent in Washington, D.C. is Wolf Blitzer. He wrote in the July 20 issue of "Jewish Week" that Bert Lance defended Arab investment in Georgia in an interview with the Atlanta Constitution-Journal of Aug. 6, 1978, stating:

"There's no special significance to the word 'Arab.' I don't know whether all the hurrah stems from the great Jewish ownership of the press or not."

Four days later issued an apology after a protest by the Jew Anti-Defamation League. Still, the motto of the Jew is, "Never Forgive - Never Forget!" Thus Blitzer wrote the following:

"Lance has an extensive business relationship with Gaith Pharoan, a well-known Saudi investor. Pharoan bailed out Lance's National Bank of Georgia from financial ruin by purchasing most of its outstanding stock for $2.4 million. Later Lance was active in several additonal banking ventures with a financial group headed by Kamal Adhan, the former chief of Saudi intellegence, and other Arabs, including crown prince Abu Dhabi who heads Kuwait Airlines.

"Lance's record since leaving the Carter adminstration has become a source of deep concern among some Jewish leaders after Mondale's surprise decision to elevate him to such a prominent position in the campaign."

If Lance had held on to the post of Mondale Campaign Manager he would have been assured a high position in any future Mondale administration. Thus the Jews wanted to stop this possiblity early!

How Jew Bloc Vote Swings Key Electoral States In Close Elections

Why Is The Jew Vote So Powerful?

Boris Smolar is a key observer of the Jewish political scene in America. He has written a very revealing study of the Jew vote in "Jewish Week" of July 6. Smolar found that while Jews do not agree on every issue when it comes to placing the interests of Israel first they stand united. These are his findings of why both political parties work so hard to win the Jew vote. The reason is that Jews are mainly concentrated in certain states and that in any given close election they can determine which way the states' electoral vote will go by bloc voting for one candidate.

1) Jews make up less than 3% of the population but they constitute over 4% of all voters. One percent equals about 750,000 votes which means that Jews cast 3 million votes.

2) Jews live in the most populous states whose large electoral votes are of vital importance to any Presidential candidate. The turnout of registered Jew voters is about 80% which is higher than any other ethnic group.

3) In any close election, the Jew bloc vote can swing the following states to the most pro-Jew candidate, because of their massive voter turnout. Jews make up 25% of all voters in New York, 12% in New Jersey, 10% in Florida, 7% in Penna., 6% in Calif., and 5% in Illinois. These five states together account for 132 electoral votes and any candidate who lost all of them would have no chance of being elected.

Boris Smolar said this information comes from a study by the American Jewish Committee. He also reports blacks owe Jews a greater degree of appreciation because it was the Jewish bloc vote which made the difference in the election of the first negroes as Mayor of Chicago and Philadelphia. California's Jews cast 75% of their vote for negro Tom Bradley in a failed attempt to make him the first black governor in America. If White Christians would unite they could "bloc vote" their way back in control of this nation overnight!

Martin Luther Founded Protestantism

Martin Luther And The Jews
Luther Still Shakes the World

Martin Luther founded the Protestant Reformation which spread to every corner of the earth. How many people in world history continue to this very moment to have a profound impact on our daily living and in every church be it Catholic or Protestant? It can easily be said that Martin Luther is the greatest Christian to ever live since Jesus Christ and the Apostles.

Luther was born on Nov. 10, 1483 in Eisleben, Saxony, in the heart of Germany and never ventured very far from this small 100 mile square area. Although he altered the face of Europe for all time to come he never went west of the Rhine River and only once visited south of the Alps. Luther came from a poor family with his father being a miner. He entered the Augustinian Catholic Order and was ordained a priest in 1507.

The Protestant Reformation (revolution) began by a very innocent protest by Luther. Pope Leo X had made a provision that part of the money raised in Saxony for building St. Peter's Church in Rome be given German Prince Albert of Brandenburg to help him repay debts owed local Jew money lenders over an unworthy transaction. Luther stormed out in protest against this misuse of church funds and nailed his now famous protest to the door of the All Saints Church in Wittenberg. Luther did not intend to revolt against the Catholic Church but he began writing his famous Theses which not only founded the Protestant Churches but also drastically changed the Catholic Church also.

Luther was the first man to translate the Holy Bible from the Greek into German and thereby changed the German language by fashioned its cadences and structures with his translation of the Bible. This monumental effort took nearly one year of non-stop work often translating 1,500 words per day! Luther was a mighty man of tremendous energy who turned out 60,000 pages including 400 books, pamphlets as well as many sermons and treaties. They are today contained in the 110 volumes of the 1883 Weimar edition of Luther's collected works in German. Scholars say that grasping the full meaning of his works is a Herculean task that has still not been completed 500 years after his birth.

Church Changes Brought By Luther

Martin Luther challenged the idea of the Pope being **infallable** (always correct on church matters.) He was able to lessen the Pope's influence in state politics and fought against the Jews actions undermining Christianity. He viewed the primary role of women as that of a wife and mother. He had 6 children by Katharina von Boar, a former nun. They took into their home and raised several orphaned nephews and nieces and took care of a number of poor students who Luther supported. His influence on the Catholic Church was profound and lasting through this day.

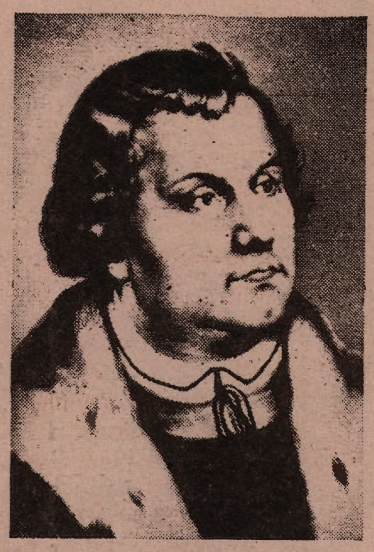
1) Luther arranged a new order of church services.
2) He wrote the first catechisms for common people.
3) He introduced singing by the congregation and wrote numerous hymns including "A Mighty Fortress Is Our God" which is now called the "battle hymn of the Reformation."
4) Lay reception of the Eucharistic wine as well as bread.
5) A ministry of the laity alongside the clergy.

Long after the Protestant Reformation all of the above were finally officially accepted by the Roman Catholic Church at the Vatican Council II nearly 500 years later. It was in 1521 that Luther was excommunicated for insisting that Popes and even church councils can err. Then he began the work of building his new Protestant Church. Recently Pope John Paul II issued a statement honoring Luther's jubilee year.

Luther Charged Jews Are Enemies Of Christians

Martin Luther made a major effort to convert the Jews to Christianity. But, he found that the Jews' religion was based on The Talmud and not the Old Testament. He was tricked by certain Jewish leaders who pretended interest in his Reformation but later he found out behind his back

Wartburg Castle where Luther translated Greek Bible into German. Note Red East Germany posted a picture of Karl Marx, who was descended from a long line of rabbis, in front of Luther's castle.



Martin Luther, one of the world's greatest men, to this very day he affects our daily lives.

The Land of Luther.

Saxony — the small area in which Luther traveled — preached, wrote and changed the world for all time to come.

that they not only despised Christianity but hated Christians in general.

The New York Times of July 1, 1983 in an anti-Luther article by James Markham and Prof. Heiko A. Oberman, a so-called Dutch Expert on Luther, wrote: *"The Nazis sought to abuse Luther's message by propagating the false theory that Luther switched from a pro-Jewish to an anti-Jewish position after coming into contact with Jews."*

Vol. 7, page 241

The Universal Jewish Encyclopedia of 1943 totally refutes this misleading statement by those who today seek to misinform young people. The Jew Encylopedia states: *"Naturally, when his hopes (to convert Jews) failed, a reaction took place in his attitude toward Jews, aggravated, no doubt by a series of unpleasant experiences in his dealings with certain Jews!"*

THUS THE JEWS THEMSELVES ADMIT LUTHER DID TURN AGAINST THE JEWS AFTER HAVING TO DEAL PERSONALLY WITH THEM! Thus we cannot believe false "historians" who today try and rewrite history.

"The Jews And Their Lies"
by Martin Luther

To our knowledge there has only been one translation of Martin Luther's famous book "The Jews And Their Lies." It is very rare and only a few copies are left in our book stock. They exist in certain Lutheran Libraries around the country but are not presented to students for study or debate. The following are but a few significant quotes from this book.

Jews Are Not God's Chosen People

"Much less do I intend to convert the Jews for that is impossible . . . The Jews are certainly rejected by God and are not His (Chosen) people anymore, and He also is not their God anymore; Hosea 1:9 'You are not my people, so also am I not your God."

"They have been brought up with poison and hatred against our Lord. (They call Christians Goyim which means cattle) or heathens who are not human beings in their sight but hardly worthy to be regarded as worms . . . (Jews believe) that they alone are human beings and all the rest of the world are nothing but inhuman beings, ducks or mice . . . Our Lord also calls them 'Vipers.' In John 8:39, Verse 44, 'Ye are of your father, the Devil.' This is unbearable for them that they be the children of the Devil . . . Be on guard against these hardened, condemned people who accuse God of lying and proudly despise the whole world.

"They boast superiority and exalt themselves above all other people and despite them. They have perverted and falsified the entire Scriptures from beginning to end . . . Oh how they love that book Esther, which so nicely agrees with their bloodthirsty, revengeful and murderous desire and hope! The sun never did shine on a more bloodthirsty and revengeful people as they who imagine themselves to be the (Chosen) people of God who desire to and think they must murder and crush the heathen . . . They expect of their Messiah that He should slay and murder the whole world with their sword. They at first demonstrated against us Christians and would like to do so now if they only could!

"How could Jews filled with pride, envy, unsury, avarice and all meaness be God's Chosen people when they commit murder, adultery, etc.? They remain stiff-necked, blinded, hardened, vain, filled with self-praise, cursing all men while blaspheming God and still be God's Chosen People?

The Talmud - The Jews Real Bible

"The rabbi tells the Jews that when the true Messiah comes, He shall take all the gold and silver in the world and distribute it among the Jews . . . From their parents they are devoted with poisonous hatred against the Goyim (Gentiles) and are filled with an insatiable desire for money. The government sits by with their mouths open, while the Jews take from their purse, steal and rob whatever they will. The government permits themselves and their subjects to be abused and sucked dry and reduced to beggars with their own money throught the usury of the Jews. For the Jews, as foreigners (aliens) certainly should have nothing which is ours. They do not work, do not earn anything from us, neither do we donate or give it to them. Yet they have our money and goods and are lords in our land where they are in exile!

"If a theif steals ten gulden he must hang; if he robs people on the highway, his head is gone. But a Jew, when he steals ten tons of gold through his usury, he is dearer than God himself! The Jews boast, "See how God does not forsake us. We do not work, we enjoy good, lazy days; while the cursed Goyim must work for us, we get their money; thereby we are their masters, and they are our servants."

"The Talmud and rabbis write that it is no sin to kill if a Jew kills a heathen, but it is a sin if he kills a brother in Isreal. It is no sin if he does not keep his oath to a heathen. Therefore, to steal and rob (as they do with their usury) from a heathen, it is a divine service. For they hold that they cannot be too hard on us nor sin aganist us, because they are the noble blood and circumcised saints; we however are the cursed Goyim. The rabbis teach them they are the masters of the world and we are their servants, yea, their cattle!"

Jesus Drove Out Money Changers

"Oh how they turned the temple into a place of money changers, merchants and all manner of avaricious trade, that our Lord Christ said they had made of God's house a den of thieves. I have seen in their writings how they curse us Goyim and wish us all evil in their schools and prayers. They rob us of our money through usury, and wherever they are able, they play us all manner of mean tricks.

"When they meet a German on the street and he says Gott Wilkommen (God welcome you) they say "Shed wil kom" since we do not understand Hebrew they are really saying "There comes a Devil." Jews secretly practice their hatred against us, that we think they are friendly to us while they curse us with the fire of hell and all misfortune.

"Thus the Jewish Talmud calls Jesus "the child of a whore and His mother, Mary, a whore, whom she had in adultry with a blacksmith. Muenster points out that a rabbi would not call her Mary but "Haria" which in Hebrew means "a heap of mud."

Jew Use Christian's Money

I hear it said that the Jews give large sums of money and thereby are helpful to the government. Yes, from where do they give it? Not of their own, but from the property of the rulers and subjects whom they deprive their possessions through usury? And thus the rulers take from the subjects what the Jews have taken, that is: subjects must give money and suffer themselves to be fleeced by the Jews so they can remain in the land freely to lie, slander, curse and steal. They become rich off our sweat and blood, but we become poor and are sucked dry by them. If that is right, that a servant, yes, a guest, or a captive may annually give to his host ten flo, and in return steal a thousand, the guest will soon be rich and the host in a short time a beggar. These Jews for 1,400 years have been and still are our plaque, pestilence and all misfortune.

"The Jews do not believe in heaven but seek a Messiah who would create an earthly Utopia here who would satisfy their belly. The answer to the Jewish problem is that they must leave our country. We must refuse them the right to have synagogues, so as to not permit a house to remain in which the Jews will blaspheme Jesus Christ. Their Talmud must be taken away and not one page left. Usury of the Jews must be stopped and our people protected - May God Protect Us - AMEN."

Dear readers send this article to ministers. If he is not teaching the true word of God! Catholics, many of the Popes have made even stronger charges against the Jews than Martin Luther and we will publish what they had to say in a future issue. But, for now, let us spread the word about this so-called religion of Judaism. It is a materialistic cult and not a true religion in any sense of the term. Let us spread the truth and put a stop to these ecumenical councils and all this rubbish about a "common Judaeo-Christian heritage" because this does not exist and is blasphemy on its face. Christians must study and learn about the Jew "religion" so that they will not be taken in by thinking it has anything to do with any civilized religion.

Messiah Will Enrich Jews

R. Giddal said in Rab's name: The Jews are destined to eat [their fill] in the days of the Messiah.4 R. Joseph demurred: Is this not obvious; who else then should eat—Hilek and Bilek?5—This was said in opposition to R. Hillel, who maintained that there will be no Messiah for Israel, since they have already enjoyed him during the reign of Hezekiah.6

it will be difficult to remove the Gentiles from their position without inflicting much suffering. (4) I.e., the years of plenty which the Messiah will usher in will be enjoyed by the Israelites.

Jews May Cheat Christians

how can you say that such robbery by one Cuthean from another is but a 'similar act' [i.e., bordering on robbery]: since a Cuthean does not forgive,7 is it not actual theft?—But R. Aha, the son of R. Ika answered: It applies to the withholding of a labourer's wage.8 One Cuthean from another, or a Cuthean from an Israelite is forbidden, but an Israelite from a Cuthean is permitted.9 To what can 'a similar act' apply in the case of a beautiful woman?

Kosher Slaughter of Animals Being Challenged

By Dr. E. R. Fields

(Below from "Jewish Week," July 20)

Rabbi defends ritual slaughter

LONDON (JCNS) — The Jewish community reacted angrily this week to a campaign against religious ritual slaughter launched by the Royal Society for the Prevention of Cruelty to Animals.

The chief rabbi, Sir Immanuel Jakobovits, condemned the attack on *shechita* as "deplorable," saying that "decades of research had constantly reaffirmed that no method of slaughter had been devised that was more humane than shechita." He said it was "disgraceful that the religious rights of our community as enshrined in parliamentary legislation should again be challenged." However, he added that he was confident that the "renewed agitation" would be defeated, and prevent "untold hardship" inflicted on Jews and Moslems, as previous attacks on ritual slaughter had been defeated.

Shocking photo of relgious Jew "Shohet," immediately after slashing throat of cattle, the hind leg is raised by a chain while in his death agony — without prior stunning — he slowly bleeds to death!

Animal Protection Societies Ask Ban On Kosher Slaughter Jew Method of Cattle Slaughter Condemned As Cruelty

The Swiss government has just adopted a new law banning the Kosher slaughter of animals - which Jews call "Shechita." In Holland the "Netherlands Society for The Protection of Animals" has requested a similar ban as did the Royal Society for the Prevention of Cruelty to Animals in England requested just last month! The Jews have shouted in protest that this constitutes anti-Semitism and persecution because of their religious beliefs.

What Is Shechita?

All civilized nations have laws which require that animals slaughtered for food must first be stunned by a blow to the head, or electrically shocked or shot with a gun (as hunters do.) To the great misfortune of defenseless animals Jews are exempt from such laws on "religious" grounds. The Jewish method demands that the animal, while still fully alive, have its throat slit from ear to ear, a 12 inch cut, the head painfully forced back with a lever so that it can be drained of all its blood before butchering begins. The excuse for this method of killing is that through the agony of the death throes the animals heart will pump all the blood out. The way in which this is practiced is nothing less than barbaric cruelty. The animal is thrown on its back with one hind leg hoisted into the air. Then the Jewish "Shohet" slits his throat from ear to ear. Often bulls will break a horn while being thrown to the floor and this is extremely painful as it is the same as breaking a bone. Throwing the animal to the floor is called "casting" by the Jews. Mr. James King, a government Veterinary Inspector in London said it takes the quivering animal as long as four minutes to die. Some Jew "authorities" claim the animals die a painless death! The famed Dr. Klein, Director of the Abattoir at Lennen, Germany experimented on several animals in the presence of nine veterinary surgeons using the Jew method of animal slaughter. Klein found that when the throat was slit and the animal's feet untied, he would stagger to his feet fully conscious, and in obvious agony until he finally collapsed and died. Dr. Klein's report declared: "*The Jewish method must be forbidden in our civilized country.*"

One of the most authoritative studies was made in 1904 by the British Admiralty Committee. Two physiologists, Prof. E. H. Starling of London University and Prof. Michael Foster of Cambridge found:

"*The Jewish system fails in the primary requirements of rapidity (dying), freedom from unnecessary pain and instantaneous loss of sensibility and that until some method is devised for rendering the animal unconscious, it should not be permitted under any establishment under Government control.*"

Shechita - Not Part of Jew Religion

The Universial Jewish Encylopedia, (1943 edition) admits that "*Jewish ritual slaughtering of animals for food is not directly ordained in the Bible. The traditional view is that it is one of oral regulations . . . It is not known just why special methods for ritual slaughtering were instituted.*"

Then the Encyclopedia goes on to explain that "Shechita is an important factor in Jewish Social Life." In the past the "requirements of Shechita have served to accentuate the tendency of Jews to organize themselves into self-government communities . . . they are compelled to arrange as a group and proceed to impose taxes on slaughtering operations. The tax is called the korobkaand, and is a chief source of income for Jewish communities."

(Editor's Note: This Kosher tax on meat was so successful that it has been expanded to nearly everything you buy in the store bearing a tiny (K) or (U) imprint. This means that a rabbi has approved the product and a tax has been levied secretly on YOU the consumer and paid to a rabbinical society. — Order the special Kosher Tax issue of The Thunderbolt advertised on the back page.)

Jews Exempt From Autopsy

New York's legislature has passed a bill which will exempt deceased Jews from autopsy without the permission of the family. Christians are not covered by the bill which makes it unconstitutional but it will not be challenged in the courts. The present law provides for a doctor to perform an autopsy whenever he is unable to certify the precise cause of death.

Jews will be exempt except in cases where there is a criminal investigation or a contageous health emergency exist. The law was drafted by the "National Jewish Commission of Law and Public Affairs.'" Medical examiners must now have permission of the Jew family before any autopsy can be performed "on the sacred body of a Jew." Rabbi Moshe Sherer declared this a "major religious rights victory" and ends a "most painful violation of our religious rights." The rabbi said that this legislation would now be pushed in every state.

(Below "Jewish Week" of July 5.)

Dutch asks ban on ritual slaughter

A new demand to ban the ritual slaughter of animals in Holland for consumption by observant Jews and Moslems has been made by the Netherlands Society for the Protection of Animals.

The group has urged the deputy minister of agriculture to prohibit, effective immediately, the slaughter of animals for export without first stunning them and to put into effect within three years a ban on ritual slaughter for local consumption.

A local ban would effect only the small number of Holland's 20,000 Jews who observe kashrut. But Jewish ritual slaughter for export is considerable. The society claims that as many as 90,000 calves were slaughtered according to Jewish ritual during the first quarter of this year for export, mainly to Israel.

Anti-Christian Book Now A Movie

Jew Author Slanders Christian Evangelists

Harold Robbins is one of the highest paid Jew novelists in the world. He wrote the X-rated books, "The Carpetbaggers," "The Adventurers" and "The Betsy" which sell 10 million copies a year. "The Spellbinder" is the story of a Christian TV evangelist who is a "Charles Manson" type bum who accidently stumbles into a Christian tent service - takes the stage - and is a hit overnight. He goes on TV, seducing his beautiful women followers, squandering money, etc.

The book will soon become a Hollywood movie. Still the big question is why didn't Robbins write the book about the life of a rabbi? Robbins claims he, "researched the financial people and staffs," of certain unnamed Christian evangelists and that the book is basically true. He is amused over the damage it will do to TV Christian fundamentalists but adds this is the first book which has brought him death threats.

ACLU Fights Christianity

American Civil Liberties Union (ACLU) is a Marxist Jew run legal organization whose goals are to defend communists, Jews and colored minorities. The Jew Burt Newborne is the National Legal Director of the ACLU and brags they have won 6 major victories before the Supreme Court during 1983. He said their main victory was the banning of tax-exempt status for private White Christian schools. (The court ruling did not effect Jewish Day Schools which discriminate against Christian students.)

Ban This Blasphemous Play

Anti-Catholic Play

"Sister Mary Ignatius" is an Off-Broadway play which is the most anti-Catholic production ever seen according to columnist Patrick Buchanan. There are six actors in the play about a reunion of a class from the parochial school of "Our Lady of Perpetual Sorrows." The actors mock Christ from the time of his birth through his Crucifixion.

One of the alumni has come back to murder Sister Mary for revealing she had two abortions. Another tells her about rape by a priest, one has a child out of wedlock and another attends with his homosexual lover. The one who has remained a loyal Catholic is an alcoholic with suicide tendencies and is a wife beater. The play has been packing in Jewish audiences who find it very amusing. Again, why can't it be about an alumni gathering of Jewish Day School graduates? Patrick Buchanan comments, "*if this play was as anti-Semitic as it is anti-Catholic, it would not collect any awards in fact it would not find a theatre to play in!*"

"Turks Out" — Legal But "Jews Out" Banned

Bonn, Germany's higher court (the Karlsruhe) has ruled it is legal to use the term "Turks Out" but illegal to say "Jews Out." The case was on an appeal by a young German nationalist age 30 who was given a 26 month prison term for "inciting hatred for Turks." There are over two million Turks in Germany. They are concentrated in the major cities and Turks have a higher birth rate than do Germans in West Berlin!

The court explained that "Jews Out" constituted a persecution of the Jews and a call to violence and terrorist measures against Jews. On the other hand, the court found this is not necessarily so with respect to Turks, who as foreigners, are being asked by the government to leave due to high unemployment. Leaders of the Jew community want all words not favorable to minorities banned.

Rabbis in Trouble — Not Such Chosen People Rabbi Enslaved Mexican Family

Hartford, Conn. Rabbi David Shackney, 51, of the B'nai Jacob Hebrew School has been charged with keeping a Mexican family in slavery. They are Humberto Oros, 42, his wife and five children. The rabbi made him endorse his checks back to him. Oros never received any pay! The family was kept in forced servitude on the rabbi's chicken farm for nearly a year before the police discovered the case. Rabbi Shackney said the Mexican family was "ungrateful" and he could have turned them into the immigration service for deportation back to Mexico. It is interesting to note that the Indonesians freed from slavery in Los Angeles were all owned by Jews also!

Rabbi Bilked Student Loans

Brooklyn Rabbi Moshe Horotwitz has been charged with defrauding the U.S. out of $795,000 in Student Aid Funds. Over a five year period Rabbi Horotwitz submitted applications for aid for non-existant students. Rabbi Horotwitz set up a one room "school" for "self-paced study without grades or misused attendance requirements," Horowitz disappeared after he learned he faced five years in prison and a $10,000 fine. His home was staked out and Orthodox communities checked but Horowitz had fled the U.S. for asylum in Israel.

Rabbi's Wife On Porno Pictures

Boca Raton, Fla. Rabbi Benjamin Rosayn, age 61, has been arrested for posting pictures of women in "hard-core porno poses" in area restrooms with his wife's name and phone number on them. They are worded, *"You can enjoy a lusty weekend at parties arranged by Rhea Morgan."*

This is the 30 year old former wife of the rabbi who has been plagued with phone calls and propositions! Rabbi Rosayn leads the wealthy "Free Synagogue" and is an officer on the Jewish Community Relations Board. He protested, *"I'm an innocent victim of a woman's wrath. The pain from this is great. My heart cries."* The rabbi was also charged with posting the pictures on the rest room wall of the delicatessen frequented by his ex-wife.

Rabbi Steals Torahs and Library Books

New York's Queen Village synagogue's Rabbi Saul Wisemon, 49, was arrested for stealing books from the Lutheran Theological Seminary in Mt. Airy. The rabbi was released on a $500 bond but when police searched his apartment they found rare books stolen from libraries in Philadelphia, Arlington and Alexandria, Va. Rabbi Wisemon has also been charged with stealing a valuable Torah from the Neziner Synagogue

NSRP Fall Meetings

Dr. Fields Speaks

The National States Rights Party is sponsoring several meetings outside Georgia this fall. Dr. Fields will speak in Chicago on Oct. 12th - this will be an NSRP meeting. He will be a guest speaker at Rev. Bob Miles conference in Michigan Oct. 13 and Oct. 14. On our return a meeting will be held in Kentucky for all area members and supporters. Further details will be announced next month.

We wish to thank all who participated in our poll last month. Some 60% of our readers said they liked the new 8 page First Class Mail newspaper. Nearly 40% said they liked the old Third Class slower mail but larger newspaper. The final decision will be determined by how many new subscribers we gain. Circulation growth is our chief interest. You can help by ordering extra copies of this issue and then remailing them in a similar envelope First Class Mail at 20¢ postage - or simply hand them out to your friends and urge them to subscribe - or collect the subscription from them to help them get started by mailing in their subscription for them.

J. B. Stoner's case should be ruled on no later than the end of September. This is an extremely important case because it is the first time in U.S. history that a man has ben convicted for a non-capital offense when the alleged act took place 20 years prior to his indictment. This final decision will have a profound impact on American liberties and freedoms for the future. If the conviction of J. B. Stoner is upheld it means - 1) The statue of limitations on all offenses would be abolished. 2) The constitutional right of the people to a speedy trial would be undermined. 3) Due Process in the protection of your right to a trial without undue delay is clearly at stake. We will immediately inform you on the final decision of this case by the 11th U.S. Circuit Court of Appeals in Atlanta, Ga.

Ferraro - "Jews Should Keep Syria's Golan Heights"

Israel's claim to occupied territories of Palestine's West Bank and Gaza Strip has been called illegal by the U.N. since the Jews 1967 invasion. Ms. Ferraro says the Jews have a right to keep these lands but she goes one step further. Israel also annexed Syria's Golan Heights and even many Jew leaders agree this must be given back before any peace treaty can be signed with Syria.

Ferraro says the Jews should keep the Golan Heights! The Chicago Jewish Sentinel of July 26, quotes her, "in regards to the Golan Heights there is no way that, if I were prime minister of Israel, I would ever agree to its being given back to anyone."

Jew "Religion" Opposite Christianity

(Below from "Jewish Post & Opinion," July 25.)

Jewish Orthodox Rabbis keep their "religion" secret.

(Vicious Anti-Christian article from "Jewish Press," May 20, 1983.)

Vigilance Against Missionaries

Dear Editor,

The front page story, "Christian Missionaries pose as Chassidim", in the April 20th issue of THE JEWISH PRESS exposed a deadly conspiracy that threatens the Jewish community.

The story brought back, as if it were only yesterday, the events that I lived through in 1945 when my sister and I and our few remaining friends were liberated from the German concentration camps and taken in by the Swedish Red Cross. They were so kind, caring, human and wonderful that we began feeling alive again.

And then they came from England — the missionaries — fed by the fat hands of the English god-peddlar organizations with money that might have better been used to help poor English people bombed out during the war. How they preyed on the pitiful remnant of the camps. They came uninvited to tease with material luxuries and pleasures, false doctrines, cunning traps baited with gifts of all kinds. How painful it is to recall their many successes. Many of the sick souls just out of the camps could not resist their evil temptations and succumbed to their blandishments.

How wonderful it would have been to have a JEWISH PRESS right after the war to expose the evil activities of the missionaries. Perhaps some of us would have been encouraged to organize and fight the missionary plague even then.

I commend your paper — a vigilant guardian against the evil soul snatchers.

Mrs. Lilly Reich — Goldberg

Two Rabbis Tell Views On Heaven

By HY WHITE

PALM BEACH, FL. (P-O) — What is heaven? Where is it?

These questions were asked of religious leaders, Jewish and Christian, by Alice Du-Pont, staff writer for the Palm Beach Post.

Most church leaders accept the Biblical concept of heaven — that it is a place of tranquility where all the negative aspects of life on earth are eliminated.

The Jewish views of heaven were expressed by a Reform leader and a Conservative leader.

Rabbi Howard Shapiro of Temple Israel, Reform congregation in West Palm Beach, said, "We do not believe in heaven or hell. The life we live here is the life we are concerned with. We live each day the best that we can. We do not concentrate on life after death."

Rabbi David Auerbach of Temple Beth-David, Conservative synagogue in Palm Beach Gardens, said, "Heaven is perceived according to an individual's values. If you enjoy the pleasures of eating and drinking, then heaven will be a place dominated by eating and drinking.
